

## My Family

My family runs by different strokes,  
Infact it's pretty different to most other folks.  
Sometimes I live with my mum, sometimes my dad,  
But believe it or not it's not that bad.  
We get to have double birthdays and celebrations,  
And even double holidays to various locations.  
However sometimes we have to switch when we aren't quite ready,  
And that can make you feel unsteady.  
But the one thing that never changes,  
Is that it's always me and my brothers that undergo the exchanges.  
I love my brothers even though they sometimes drive me nuts,  
Like let's be honest, they can both be major pains in the butt!  
Families come in all shapes and sizes,  
And I wouldn't change mine for all the best prizes.
