

My Family

There's a special little group I know
Who love me more than you could show
I see some of them everyday
And some of them live far away.

There's my Mum, my Dad and my sisters too
And my faithful dog Max who is very true
Sometimes we're happy, sometimes we're sad
And sometimes my sisters can make me feel mad
Grannies and grandads are the best and let's not forget the rest.

My aunties are fab! I knew that was true
My uncles are pretty amazing too
I love all my cousins, they're mostly boys
And my favourite Maria who plays with my toys.

Wherever we go and whatever we do
I know that they love me
And I love them too!
