

My Family

My family are five
Wait, no we're six
And apart from my Dad
We're all chicks

Pippa, she's a terrier
Behaves just like her name
So do my sisters
They're exactly the same

One is loud
One doesn't hear
Even when Mum and Dad
Make it crystal clear

They both work hard
But are always around
I think they're the best parents
Pound for pound
