- To use a variety of time words eg. Next, after etc.
- To write detailed sentences.
- To write in the past tense.
- To focus on neat handwriting.

• Capital letters and full stops.

Great

orientation

On Thursday, I walked to school with my dad and went to tap a beatbox. I felt really proud. I went to the school playground and chased William for lip. It was just 1 minute and then the bell rang and the teachers came. I really wanted more time. We lined-up and said our prayer. We walked quietly to the classroom. I hanged my my coat and bag on the hook and put my lunchbox on top of the hook.

First I copied down my homework in my homework diary. We had to be really quick because we had ICT at half past 9. We walked quietly to ICT in the Ashleigh Building. When we got there, I played 3 levels in Ranger mouse Ultimate for 10 minutes. My User name was [redacted] and everyone's password was [redacted].

Next I went on Microsoft Word and I went on View, Home, Insert and Page layout page. My page was Dark yellow, a cake border, some text boxes with red spooky drawing with a green highlight and some speech bubbles. I didn't get it finished so I could finish it next week. We walked back to the P4 McKeating mobile and had our break. I had oranges for break.

26-9-16 Afterwards we went outside to play. I played with Owen and Conor and we played Tip. We went to Mr McLoskey's classes assembly after break. At the beginning, Paire introduced the theme of their play and a new school year. He was really funny. After the introduction, they played 2 games: an obstacle course and a spinning course. I liked the spinning course best. After the games, the rest of the people said poems. They were quite boring because I didn't really understand it but the rest were totally fantastic.

Later on, we did numeracy after the assembly. We done HTV adding and subtracting for numeracy. We had lunch after numeracy. I had chicken sandwiches on brown bread with crisps. The lunches went outside and Owen got a ball. Conor and me and some Mr McLoskey's boys played with Owen. We play McLoskeys Vs McKeating and it was really fun. It was 2-1 to us. I felt very very proud but annoyed because I couldn't be the goalie.

Finally, after lunch, I wrote the orientation of this recount. I was very very tired after the recount.

A lovely recount And!
